

San Antonio Association of Building Engineers

SAABE JULY LAST THURSDAY TRAINING SEMINAR

"Electrical System Testing"

Keith Bender and Keith McFarlin, Klecka Electric Company, Inc.

Thursday, July 29, 2010

11:30 am-1 pm (lunch provided)

Location: [First National Bank](#) (6243 IH 10 W)
Fourth floor conference room (next to deli)

Upon completion of this seminar, each participant will receive a Unit 103 Electrical System Testing certificate.

Founded in 1989, Klecka Electric Company, Inc. serves San Antonio and South Texas. Their 24/7 service includes new construction, remodeling, design/build, aerial capacity to 55 feet and preventive electrical testing. They specialize in commercial electrical installation with an emphasis on schools and hospitals. Klecka Electric Company is dedicated to bringing quality work and complete satisfaction to all of their customers.

For more information about Klecka Electric Company, contact Keith McFarlin at (210) 349-0123 or kmcfarlin@kleckaelectric.com. Or, visit their website at www.kleckaelectric.com.

The seminar is open to SAABE Engineers and their assistants only, and there is no cost to attend. Lunches will be provided by Gerloff Company. There is a limit of 25 attendees.

If you are coming, please email mgoff@braycommunications.com. Please RSVP by Wednesday, July 28, so we know how many lunches to order. If you RSVP and cannot attend, please call Melodie Goff (408-8135) so she can move someone off the waiting list.
